| <b>SHIPPED</b> , as far as ascertained by reasonable means of checking, in apparent good order and condition unless otherwise stated herein, the total number or quantity of Containers or other packages or units indicated in the box entitled "Carrier's receipt" for carriage from the Port of Loading (or the place of Receipt, if mentioned above) to the Port of Discharge (or the Place of Delivery, if mentioned above), such carriage being always subject to the terms, rights, defences, provisions, conditions, exceptions, limitations and liberties hereof (including all those terms and conditions on the reverse hereof numbered 1-27 and those terms and conditions contained in Carrier's applicable Tariff). Where the bill of lading is non-negotiable the Carrier may give delivery of the Goods to the named consignee upon reasonable proof of identity and without requiring surrender of an original bill of lading. Where the bill of lading is negotiable, the Merchant* is obliged to surrender one original, duly endorsed, in exchange for the Goods. The Carrier accepts a duty of reasonable care to check that any such document which the Merchant surrenders as a bill of lading is genuine and original. If the Carrier complies with this duty, it will be entitled to deliver the Goods against what it reasonably believes to be a genuine and original bill of lading, such delivery discharging the Carrier's delivery obligations. In accepting this bill of lading, any local customs or privileges to the contrary notwithstanding, the Merchant agrees to be bound by all Terms and Conditions stated herein, whether written, printed, stamped or otherwise incorporated on the face or reverse side hereof, as fully as if they were all signed by the Merchant.<br><br>IN WITNESS whereof the number of original Bills of Lading stated on this side have been signed and whenever one original Bill of Lading has been surrendered any other shall be void. |  |                                                                                                                                       |  | Total number of Containers/Packages or Units received by the Carrier<br><b>1 x 20DC</b>                                                                                                                                                                                             |                                                                                   |
